STEM SCHOOL
VIDYA NAGAR - GUNTUR

April 16th, 2024

Subject: Holiday Announcement – April 17, 2024 (Wednesday).

Dear Parents,

This is to inform you that **STEM School will remain closed tomorrow, April 17, 2024 (Wednesday)**, in observance of **Ramanavami**. All classes and school activities scheduled for the day are cancelled.

Please make the necessary arrangements for your child to be picked up from school today and to stay home tomorrow. School will resume as usual on Thursday, April 18, 2024.

Ramanavami is a significant Hindu festival that marks the birth of Lord Rama, the seventh avatar of the god Vishnu. It is celebrated on the ninth day of the Hindu lunar month of Chaitra, typically in March or April. Devotees observe the day with great fervor and devotion, visiting temples, offering prayers, and reciting verses from the epic **Ramayana**, which tells **the story of Lord Rama's life and adventures.** The festival is also characterized by fasting, singing bhajans, and organizing processions. Lord Rama is revered for his righteousness, courage, and dedication to his duties as a prince, husband, and son. Ramanavami is a time for spiritual reflection and a reminder to uphold the values of dharma and justice in one's own life.

Thank you for your understanding and cooperation. We wish you and your family a peaceful and joyous Ramanavami.

Warm regards,
STEM School.
