Subject: School Closure in Observance of Ramadan 11.04.24 (Thursday)-Reg

Dear Students, Parents and Guardians,

"Ramzan: A sacred month of fasting, self-discipline, compassion, and spiritual growth, reminding us of the blessings of patience, empathy, and gratitude."

In observance of **Ramzan, STEM School will be closed tomorrow, 11.04.24, (Thursday)** to allow our Muslim students, parents and staff to commemorate this significant time with their families and communities.

We encourage everyone to take this opportunity for reflection, spiritual growth, and spending quality time with loved ones. May this holy month bring you peace, happiness, and blessings.

On behalf of the entire STEM family, we wish our Muslim community a blessed Ramzan filled with joy, forgiveness, and spiritual enlightenment.

The school will resume on 12.04.24 (Friday)

Regards,

STEM School.
