Subject: Lunch Boxes and Lunch Bags -Reg.

Dear Parents,

Greetings from STEM School!

Parents are kindly requested to provide their children with their lunch bags at least **45 minutes** prior to the **lunch break** that is before **12.00 noon**. It will assist them in eating their lunch promptly. This can help prevent last-minute rush to pick up lunch bags. Please consider this request for the well-being of our kids and work with us to make things go smoothly.

We have chosen a model lunch bag and planned to assign different colors to different classes in order to avoid confusion and ensure that the lunch bags are delivered to the correct class and student. In addition to that, all students at our school will also receive lunch bag tags with their photos.
We, therefore, need your assistance in this matter, since you must purchase the colored lunch bags for the selected model listed below.

Class	Colour
K1 to I	**Pink**
II to IV	**Blue**
V to VI	**Green**
VII to VIII	**Red**
IX & X	**Black**

Suggested Lunch bag model:

Note: The suggested lunch bag model can be altered or modified as per availability in the market, but make sure that the color must remain the same.

Parents are urged to purchase the aforementioned model lunch bag in the specified color on or before 17.06.2024, without fail. Regarding this, we look forward to your support and collaboration.

IMPORTANT: DON'T FORGET TO LABEL YOUR CHILD'S LUNCH BAG WITH NAME, CLASS AND SECTION.

Regards,
STEM School.
