Subject: Important: Student ID Card Photo Sessions on 24th and 25th June 2024

Dear Parents/Guardians,

We hope this message finds you well. We would like to inform you that we have scheduled **Student ID Card photo sessions for all students on Monday and Tuesday, 24th and 25th June 2024.**

This is an important administrative task to ensure that each student has an updated ID card for the academic year. It is crucial that your child attends school on these specified dates so that their photo can be taken for their ID card.

We kindly request your cooperation in ensuring your child's attendance on both days.

Thank you for your attention to this matter.

Warm regards,
STEM SCHOOL
