Subject: After school activities -Reg.

Dear Parents,

Greetings from STEM School!

The school is holding After-School activities for **classes I to VIII** students. An exciting range of fun-filled, creative activities has been specifically planned in order to constructively engage our students. All these activities are planned and scheduled after school hours and are going to be led by expert coaches and our school staff. The STEM School is convinced that these challenging and talent-development activities contribute to the student's overall balanced development. Our school not only aims for good academic records but also opens up the minds of the children to find a passion, develop a talent, spark an interest, or simply find happiness and joy in doing an activity with others. Let us provide our children with a good childhood and memorable school days.

- After-school activities will start on **July 15, 2024** and end on **February 15, 2025**.
- The classes for each activity, will be from **Monday** to **Friday**.
- A nominal fee of ***Rs. 1000*** per month for each activity will be charged and should be paid for ***seven months*** at a time by **July 10th, 2024**.
- Classes **I to VIII** students are only allowed to enroll for these activities.
- ***The minimum number of students required to start any activity is '15'*.** In the case of low registrations, the respective activity will be ***cancelled*** and the fee will be refunded.
- ***For each child, you can select only one activity from the list of activities mentioned below*.**

List of Activities
