Subject: Regarding Fruits & Vegetable Week Celebration.

Dear Parents/Guardians,

We are excited to announce a fun and educational initiative, "Fruits and Vegetables Week", from JULY 15,, 2024 TO JULY 20, 2024 . Our aim is to promote healthy eating habits and appreciation for nature's bounty among our students.

Here's a breakdown of the activities:

- **Monday 15th and Tuesday 16th :** Send your child's favourite fruit in their snack box.
- **Thursday 18th and Friday 19th :** Send a vegetable salad or any vegetable in their snack box.
- **Saturday 20th**
  - **STEM Angels to Grade 2:** Come dressed as your favourite fruit or vegetable.
  - **STEM Angels to K2**: All the children are requested to bring half a kg of any fruit.
  - **Grade 1 and 2:** All the children are requested to bring half a kg of any vegetable.

The brought items will be displayed, and our students will learn about their importance. Later, we will donate these items to a local orphanage.

Join us in making this a memorable and enriching experience for our young ones!

Best regards,

STEM SCHOOL
