Subject: Telugu & Hindi Poetry Recitation Competition for Students of Classes III to VIII-Reg

Dear Parents,
Greetings of the Season!

"Poetry is the rhythmical creation of beauty in words"

In order to instill a love for poetry and to develop recitation skills amongst our students, STEM is organizing Telugu & Hindi Poem Recitation Competition.

The Hindi poetry recitation competition will take place on

Monday, August 05, 2024 for **Classes III to V**
Tuesday, August 06, 2024 for **Classes VI to VIII**

&

The Telugu poetry recitation competition will take place on

Wednesday, August 07, 2024 for **Classes III to V**
Thursday, August 08, 2024 for **Classes VI to VIII**

In our endeavour to empower the despites with good oratory skills, we urge you to prepare your ward with a poem of at least 10–15 lines based on any theme. Kindly note that the duration of the poem (including the self-introduction) must be between 2-3 minutes, but not more than 3 minutes.

Students have to select the poems as per their class level. In the case of selecting poems from lower grades, they will be disqualified.

The contestants will be judged on the following points:

- Introduction of Self and Poem
- Intonation and stress (voice modulation)
- Confidence, poise & presentation (expressions)
- Memory
- Pronunciation

If the child is comfortable using hand movements, he/she may do so, as there will be no positive or negative marking for it.

Kindly keep the above criteria in mind while training your child for the competition. The competition will be held during school hours. The school looks forward to your active involvement in helping our children tread the path of development.
We are looking forward to your support and cooperation. For more queries, please contact Mr. Rama Krishna (TGT- Hindi) Mrs. Swapna (TGT- Telugu)

Thanks & Regards,
STEM School.
