Subject: Sports Uniform policy for After – school Activities

Dear Parents,

We hope this message finds you well. A gentle reminder to the parents ,

Please note that students participating in the following after-school activities:

- **Karrasamu**
- **Skating**
- **Tennis**
- **Badminton**
- **Football**

should change into their sports uniform during activity time. This is to ensure comfort, safety, and hygiene standards.

Please ensure your child brings their sports uniform to school on all activity days (Monday to Friday).

Thank you for your cooperation.

Best regards,

STEM School
