Date: August 20, 2024

CIRCULAR

Subject: Photograph Session for ID Cards

Dear Parents,

This is to inform you that a photograph session for ID cards has been scheduled for Thursday, 22nd August 2024. This session is specifically for students who missed the previous photograph session.

We kindly request that students come in their **complete and proper school uniform** for the photograph. This will ensure a uniform and professional appearance for all ID cards.

Please ensure that your child is present on this date to avoid any further delays in the issuance of their ID cards.

Thank you for your attention to this matter.

Regards,
STEM School.
