18th August 2024

Subject: Raksha Bandhan Celebrations.

Dear Parents,

We are delighted to announce that **Rakhi Purnima** will be celebrated at our school on Monday, 19th August 2024. This special day is dedicated to honoring the beautiful and enduring bond between brothers and sisters.

To make this celebration meaningful and heartfelt, we invite students who have siblings in the school to bring a Rakhi to tie on their brother's wrist. This simple yet profound gesture symbolizes the love, protection, and care that siblings share. We also encourage students to bring a small, thoughtful gift (optional) to express their affection and strengthen this bond.

Let us come together to celebrate this day, cherishing the love that binds brothers and sisters in a relationship that is truly unique and irreplaceable.

Best regards,
STEM SCHOOL
