Subject: Record Submission on March 17, 2025

Dear Parents,

We appreciate the students who have submitted their record writing works for Physics, Chemistry, Biology, and Computer Science on time. Unfortunately, some students have been late in submitting their work, and as per our policy, teachers have not accepted late submissions.

We would like to remind you that all students must submit their records by **(Monday), March 17, 2025**. Please note that students who fail to submit any of the four records will not be allowed to write the **Unit I exam, which is scheduled to commence on 25th March 2025.**

We kindly request your cooperation in ensuring that your child completes and submits their records on time

Thank you for your understanding and support.

Best Regards,

STEM SCHOOL.
