"Shiva is not just a name; it is an energy that transforms lives.

Meditate like Shiva, stay calm, stay strong, and let go off negativity."

Dear Parents,

Greetings from the STEM School!

Please note that tomorrow, **February 26, 2025** has been declared a holiday in view of **Maha Shivaratri**. Additionally, on **February 27, 2025**, the school will remain closed due to **MLC Election Voting Day**, as advised by the government.

We urge all graduate voters to cast their votes without fail and choose a deserving candidate who can effectively represent the educated community of our district.

We encourage students to utilize these holidays to prepare for their upcoming exams. Make the most of this extra time to revise and study.

We wish you a happy, peaceful & blessed Maha Shivaratri.

Best Regards,

STEM SCHOOL.
