8. uniforms.
9. Materials
10. comfortable.

Q4

Why do we wear clothes?

We wear clothes to protect our skin from the sun, when its hot and to keep us dry when its raining.

What do you wear in summer? How is it different from what you wear in winter?

On hot days we wear light and loose fitting clothes to keep us cool. On cold days we wear woolle

clothes to keep us cosy.

Where do materials for making ~~tot~~ clothes come from?

cotton comes from plants, wool and silk comes from animals, others are made in factories.
