Subject: Subject selection for Class VIII and Class IX

Dear Parents,

With the start of the new academic year 2025-2026, we would like to inform you about the subjects offered at STEM school under the ICSE Curriculum for Class VIII and Class IX students. Please find the details below.

GROUP	SUBJECTS
Group 1 (Compulsory)	1. English (1st language)- Compulsory 2. Hindi (or) Telugu **(*Students have to select any one*)**-2nd language 3. Social Science (History, Civics and Geography)
Group II (Compulsory)	1. Mathematics 2. Science (Physics, Chemistry, Biology)
Group III (Compulsory)	1. Computer Applications

- Since there is an option provided for the 2nd Language, we would like to know your child's choice related to this subject. The choice is given between **Hindi & Telugu**
- **Note: Students who studied Telugu and Hindi up to class VII are eligible to opt for either Telugu or Hindi.**
- Submit your choice by filling the below-given form **latest by 23rd January, 2025.**
- **In case of any queries, you can contact the class co-ordinator.**
- *Once the subject **(2nd Language)** is selected by the student in class VIII, it will be continued up to Class X. again there is no chance of changing the subject **(2nd Language)***

CIRCULAR - ACKNOWLEDGEMENT
