

**CIRCULAR****DATE: JUNE 13, 2025****Subject: Co-Curricular Activities – Selection for Students.****Dear Parents,**

At STEM School, Co-Curricular Activities like *Music, Dance, and Art & Craft* have always been an integral part of our learning experience. While we currently offer one period per week for each activity, we have observed that this limited time is neither impactful nor fully engaging for students.

To ensure deeper learning and better participation, we are now introducing a choice-based activity model. Each student can now select one activity of their interest for the academic year and will receive two dedicated periods per week for focused training.

Please Note:

-  *Only 10 students per section per activity will be allowed.*
-  *Activities will be allotted on a first-come, first-served basis.*
-  *Consent forms must be submitted by June 16, 2025.*
-  *No phone calls or messages will be accepted regarding this.*

We believe this change will help students grow in areas they are passionate about.

Thank you for your continued support.

**Best regards,
STEM School.**
