

**CIRCULAR****August 6, 2025.****Subject: Call to Adventure: Registration open for NASO 2025-26****Dear Parents of Grades 3 to 8,**

We are excited to inform you that registrations are now open for the National Astronomy & Science Olympiad (NASO) 2025-26! This is a wonderful opportunity for your child to develop a deeper interest in science and space, compete at a national and global level, and gain valuable exposure beyond the classroom.

Why Encourage Your Child to Participate?

- Compete with students across India and beyond
- Strengthen concepts in science and astronomy
- Build critical thinking and problem-solving skills
- Join a passionate community of future explorers and innovators

Syllabus Coverage:

Grades 3–4: Science & Environmental Science

Grades 5–8: Science & Astronomy

Competition Format:**Level 1: School Round**

50 Multiple Choice Questions (MCQs) & 60-minute duration.

Participation certificates for all, plus medals and certificates for qualifiers.

Level 2: National Round

50 Research-Based Questions & 60-minute duration.

Certificates for all, and awards for top performers.

Exciting Awards & Recognition:

1. 1st Prize – NASA Educational Tour (Top 3 winners)
2. 2nd Prize – 3-day ISRO Visit Program (Top 3 runners-up)
3. 3rd Prize – Celestron Telescope
4. 4th Prize – Student Sat Kit with Program
5. 5th Prize – Free NASO Registration for 2026-27

Registration Details:

Registration Fee: ₹250

Last Date to Register: August 26, 2025

Note: We are already partnered with the organizing company, so all students from Grades 3 to 8 will receive certificates through the school. This registration is an additional opportunity, and participation certificates will be given to all registered students, along with the above-mentioned prizes for winners.

We encourage you to support and guide your child in registering for this enriching experience. For further queries, you may contact our in-school coordinators:

Mrs. Tejaswi for Grades 3 to 5

Mrs. Madhuri for Grades 6 to 8.

For more details, please visit www.naso.in and don't forget to take the mock test available on the website.

Let's inspire young minds to aim for the stars!

Best regards,
STEM School
