

**CIRCULAR****AUGUST 10, 2025****Dear Parents & Students,**

**"Independence is not just a date on the calendar; it's a responsibility in our hearts."**

***"This Janmashtami, let Lord Krishna's wisdom inspire us, and this Independence Day, let our freedom remind us – truth, courage, and unity are the greatest victories."***

Every year, we celebrate Independence Day to instill national pride. This year too, it is a time to come together, understand, and cherish the joy of freedom in its truest sense. Alongside, we will also celebrate Krishnastami, embracing the spirit of devotion, culture, and tradition that enriches our heritage.

The STEM School is delighted to announce that this year we will be celebrating **Viksit Bharat Mahotsav and Krishnastami on Friday, August 15, 2025, from 9:00 a.m. to 12:30 p.m.**

We have planned an exciting lineup of activities and cultural performances for our parents and students to enjoy, aiming to instill both national pride and a deep appreciation for our rich traditions. Please note the following points for **August 15, 2025:**
