

**CIRCULAR****August 25, 2025****Sub: National Sports' Day Competitions.****Dear Parents,**

We all know that the five S's of sports—stamina, speed, strength, skill, and spirit—are the true pillars of growth and learning. They not only build fitness but also nurture confidence, teamwork, and resilience. To keep our students strong in both body and mind, our school has introduced Sports & Activity periods in the timetable—because a healthy mind truly lives in a healthy body! To add zest and fun the school is organizing **National Sports Day on August 29, 2025**. On behalf of this event, we planned class wise sports competitions **on 26th for grades K1 to 4 & on 28th of August, grades 5 to 8**. Winners will be announced on National Sports Day and awarded on Childrens Day.

Note:

Students of Grades K1 to 4 should come to school in their Sports Uniform on 26th August (Tuesday).

Students of Grades 5 to 8 should come to school in their Sports Uniform on 28th August (Thursday).

We look forward to your cooperation to make this event fun filled and memorable.

**Best Regards,
STEM SCHOOL.**
