Subject: Summer Vacation Notice

Dear Parents,

We appreciate your continued support in your child's academics.

Summer vacation **will begin on April 24, 2026, and continue until June 7, 2026. The school will reopen on June 8, 2026.**

We encourage students to use this time wisely by revising their lessons and strengthening their understanding in all subjects. If your child finds any subject challenging, kindly ensure they spend at least two hours a day working to improve in that area. We also encourage every student to read at least one book of their choice during the vacation to build good reading habits. Students are also advised to avoid excessive use of mobile phones and make better use of their time.

Considering the summer heat, please advise your child to avoid going out in the hot sun, stay well-hydrated, and take proper rest. We look forward to welcoming students back to school with a refreshed and energetic body and mind.

Your cooperation is always appreciated in supporting your child's academic growth.

Thanks & Regards,

STEM School.
