Subject: After-School Activities & Extra Academic Support Program

Dear Parents,

The school is organizing After-School Activities for students of **Classes I to VIII**. An exciting range of fun-filled and creative activities has been carefully planned to engage our students constructively. These activities will be conducted after school hours under the guidance of expert coaches and our school staff.

At STEM School, we believe that such challenging and talent-development activities contribute significantly to the overall balanced development of a child. Our aim is not only to ensure academic excellence but also to help children discover their passions, develop talents, spark new interests, and experience the joy of learning and growing with others. Let us work together to provide our children with a happy childhood and memorable school experiences.

After-school activities will commence on July 1, 2026, and continue until January 31, 2027. Classes for each activity will be conducted from Monday to Friday 4pm to 5pm.

A nominal fee of ₹1,000 per month for each activity will be charged and should be paid for seven months in advance at the time of registration.

In addition, as per the requests received from many parents, the school is introducing an Extra Academic Support Program for students who require additional assistance in their studies. This program is designed to provide focused academic guidance, strengthen conceptual understanding, and help students improve their overall academic performance.

The fee for the Extra Academic Support Program is ₹18,000 for the period from July 1, 2026, to March 31, 2027.

Class Timings:

- **Monday to Friday:** 4:15 PM to 6:30 PM
- **Saturday:** 1:30 PM to 3:30 PM

Only students of Classes I to VIII are eligible to enroll in these programs.
