STEM SCHOOL
VIDYA NAGAR - GUNTUR

June 25, 2026

CIRCULAR

"Strength of truth and courage, Responsibility of Choice "

Subject: Muharram Holiday & School election activity

Dear Parents,
Greetings from STEM School!

This is to inform you that the school remains closed on **26-June-2026** on account of **Muharram**.

Further, the day after tomorrow (**Saturday**) will be a **half-day working day** as per the regular Saturday school schedule.

Students of **Classes 4 to 10** will participate in the **School Election Activity**. This initiative aims to help students understand the significance of voting, leadership, responsibility, and democratic values through practical learning experiences.

As this is an important educational activity, **attendance is compulsory**, and students are requested not to remain absent on that day.

We appreciate your cooperation in ensuring your child's participation.

Best Regards,
STEM School.
