"Be the Friend you'd Love to Have "

Subject: Friendship day celebrations at School

Dear Parents,

To cherish the spirit of togetherness, we are delighted to celebrate Friendship Day on Saturday, August 1, 2026 with joyful activities planned for students from Nursery to Grade 10.

- For Nursery to Grade 10, it will be a delightful celebration where children exchange Friendship bands. We kindly request parents to send Friendship bands with their child for the occasion.

Students are allowed to wear Civil Dress on Saturday, 01/08/2025 to mark the celebration in a Cheerful and Festive spirit.

Let's celebrate the wonderful bonds that make our school a happy place

Best Regards,
STEM School.
