Subject: National Space Day 2026 – Student Competitions

Dear Students and Parents,

In observance of **National Space Day**, *Navars Space Labs* is organizing a **Space Startup Contest** and **Student Reel Competition** for students.

The competitions aim to inspire students to explore the fascinating world of space through innovation, creativity, entrepreneurship, and digital expression, while encouraging them to share their ideas and perspectives on India's growing space sector.

Here are the guidelines for the registered students.

Student Reel Competition

Highlights**:**

- The registered students from Grade 3 to 8.
- Participate **individually or in a team of up to 3 students**
- Create a reel of **up to 120 seconds** (minimum of 60 seconds)
- Explore any creative format such as **skits, animation, storytelling, interviews, documentaries, dance and more**
- Selected entries may be featured on **Navars Space Labs' official social media**
- Top entries will get an opportunity to **meet and interact with a professional filmmaker/editor**
- Certificates for participants and exciting prizes for National winners

Students must ensure that the reels are filmed in **safe locations**. Risky stunts, hazardous locations, or unsafe activities must not be included.

The registered students are informed to submit the **Reel and the parent consent form** on or before **13th August** 2026 to their space lab educator or may mail to **spacelab@stemschool.in**

Space Startup Contest

Theme: Growing Indian Space Economy

Highlights

- The registered students from Grades 7 and 8
- 💡 Develop and build your own **Space Startup idea**
- 🎤 Present a **3 to 5-minute Elevator Pitch**
- 🌟 Selected finalists will get an opportunity to **pitch LIVE to an Angel Investor**
- 🏆 Exciting rewards for winners from the Angel Investor
- 📜 Participation and Appreciation Certificates

The registered students are informed to submit their **elevator pitch and the parent consent form** on or before **13th August** 2026 to their space lab educator or may mail to **spacelab@stemschool.in**

Please refer to the attached poster and consent form.

Let's inspire our young minds to think beyond the sky and build the future of Indian Space Economy.

Best Regards,
STEM School

.

Reel Consent Form

National Space Day Celebration
