Subject: National Throwball Tournament at STEM School - Holiday & Worksheet Schedule (9th - 12th September)

Dear Parents,

We are delighted and proud to announce that STEM School is hosting the **National Throwball Tournament,** a prestigious national-level sporting event with teams participating from across the country.
It is a great honour for our school to host this event and an excellent opportunity for our students to witness true sportsmanship, teamwork, discipline, and healthy competition.
In view of the arrangements required for the smooth and successful conduct of the tournament, **9th, 10th, 11th, and 12th September 2026 will be observed as holidays for students.**

NOTE TO PARENTS - HOLIDAY WORKSHEETS:

- To make it convenient for parents, we will be providing all subject-wise worksheets at one go, so that you can take printouts at your convenience.
- We request students to follow a simple schedule by completing **one worksheet from each subject per day.** Kindly ensure that your ward completes the worksheets neatly and regularly.
- All completed worksheets should be submitted on **15th September 2026 without fail.**
- You are warmly invited to visit the school at your convenient time on **11th and 12th September** to watch the games and cheer for the participating sportspersons.

We sincerely appreciate your continued support and cooperation.

Warm regards,
STEM School.
