Subject: Storytelling Competition for Nursery to Class 2

Dear Parents,

"Stories spark imagination, nurture creativity, and make learning joyful".

We are happy to inform you that our school is organising a Storytelling Competition for students from **Nursery to Class 2 on Saturday, 24th October 2026, from 10:00 AM onwards.**
The competition aims to encourage young learners to develop their speaking skills, confidence, creativity, imagination, and expression through storytelling.

Competition Details:

- **Date: Saturday, 24th October 2026**
- **Time: 10:00 AM onwards**
- **Classes: Nursery to Class 2**

Guidelines:

1. Students may choose any suitable story in English.
2. The story should be appropriate for the child's age and understanding. It should convey a good moral or positive message.
3. Students are encouraged to narrate the story in their own words with clear pronunciation, confidence, and expression.
4. Simple props or visual aids may be used to make the storytelling more interesting. Props are optional.
5. Parents are requested to help their children practise at home and encourage them to narrate the story independently.

Note: Interested students are requested to register their names with their respective class teachers by **22nd October 2026**

We look forward to seeing our little storytellers share their imagination and creativity with confidence.

We kindly request the support and encouragement of parents in making this activity a joyful and memorable learning experience for our young learners.

Warm Regards,
STEM School.
